Profile

A Computer Science Engineer with excellent problem solving skills and ability to perform well in a team. Passionate of analysing data and contributing for the best with my skills for my service. Work level best to achieve the highest goals.

Projects

CapitalDeck : [Project-Link](#) *Java 21 | Spring Boot | .NET | MySQL | React 18 | Tailwind CSS* 2026

- Developed a full-stack financial management application using a Spring Boot, .NET API backend and a React frontend to track personal investments and expenses.
- Engineered a secure Authentication Controller using Spring Boot and C# to manage user sessions and protect sensitive financial data.
- Designed and implemented a relational database schema to categorize transactions, enabling users to visualize spending patterns and investment growth.
- Utilized Git for version control, maintaining a clean commit history and managing project architecture throughout the development lifecycle.

Experience

BHEL Vocational Trainee : [Project-Link](#) | [Certificate](#) 2023

- Revamped the BHEL Careers Portal using HTML, CSS, and JavaScript, modernizing the user interface and improving the applicant experience.
- Optimized front-end performance, resulting in a 75% reduction in website load time, which facilitated smoother data storage and a lag-free user journey.
- Analyzed locomotive control systems as part of the Vande Bharat Project, gaining insights into system behavior under various operational scenarios

Freelancer : 2022-23

- Deployed multiple websites and landing pages through WordPress.
- Managed multiple Ad Campaigns by FB Ad Manager.
- By these, I got skilled in Notion, WordPress, FB Ad Manager, Canva and got knowledge about Social Media Pages like Instagram, PR, WhatsApp API and helped in providing at max 40% growth in Business Revenue.

Skills

Backend-Development : Java | Spring Boot | .Net / Asp.Net Core | Entity Framework | RESTful APIs | MySQL.

Tools & Technologies : Git & GitHub | SQL / SQLite | VS Code | Spring Tool Suite (STS) | Visual Studio 2022
Microsoft Office (Excel, Word, Powerpoint) | Notion | Canva.

Soft Skills : Team collaboration and Leadership | Problem Solving and Critical Thinking
Project Management | Communication.

Education

CDAC (Institute for Advanced Computing & Software Development) 02/2025 - 08/2025
→ Post Graduate Diploma in Advanced Computing (PG-DAC)

Lakshmi Narain College of Technology and Science 06/2020 - 06/2024
→ Bachelor of Technology in Computer Science • 8 CGPA

Interests

Cloud Computing | DevOps | Football | Chess | Management | Finance | Designing.
